270
Max Torque
(nm)

11.3 sec.
0-100 km/h
(sec.)

NOT FOR THE FAINT HEARTED.

With all 4 wheels pushed to the corners for a wide, go-kart stance, ideal front-to-back weight balance and an incredibly nimble suspension system, the MINI family has plenty of the iconic swagger and go-kart handling.

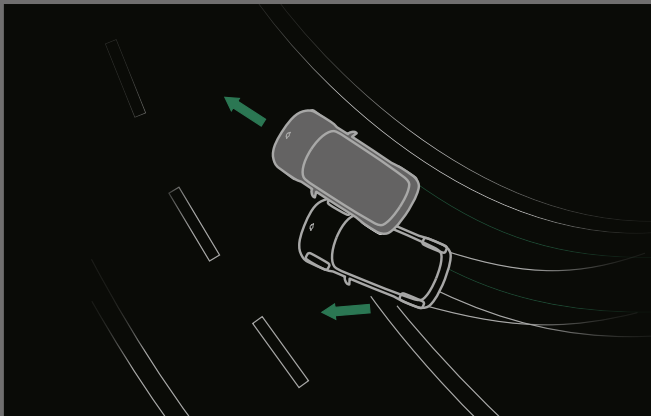

TURN RIGHT AHEAD FOR THRILLS AND SPILLS.

Switch to Sport Mode to automatically adjust your engine, steering and transmission for that extra punch. For softer, more fuel-efficient motoring, switch to Green Mode. It maximizes every last bit of engine efficiency and kinetic energy.

MAKE SHORT WORK OF LONG ROADS.

First, the system uses sensors to measure the steering angle, yaw and lateral acceleration to determine the direction you want to go. Then, if your MINI starts to stray, the Dynamic Stability Control system kicks in by applying corrective brake pressure to individual wheels and adjusting engine torque.

AS YOU-NIQUE AS YOU.

With as many options and ways to accessorize them right off the lot, you'll be designing one to match your exact style and taste.

Volcanic Orange*

Pepper White*

Electric Blue

Moonwalk Grey

Iced Chocolate

White Silver

Blazing Red

Deep Blue

Thunder Grey

Midnight Black

Lapisluxury Blue

British Racing Green

* Non metallic colours. All other colours are metallic.

RE-DESIGNED COCKPIT.

The cockpit of the new MINI is more refined than ever, with additional dash and interior surface options and new, premium materials. The easy-to-read speedo is now in front of the steering wheel, and a set of sleek, refined switches sit nicely at the base of the dash.

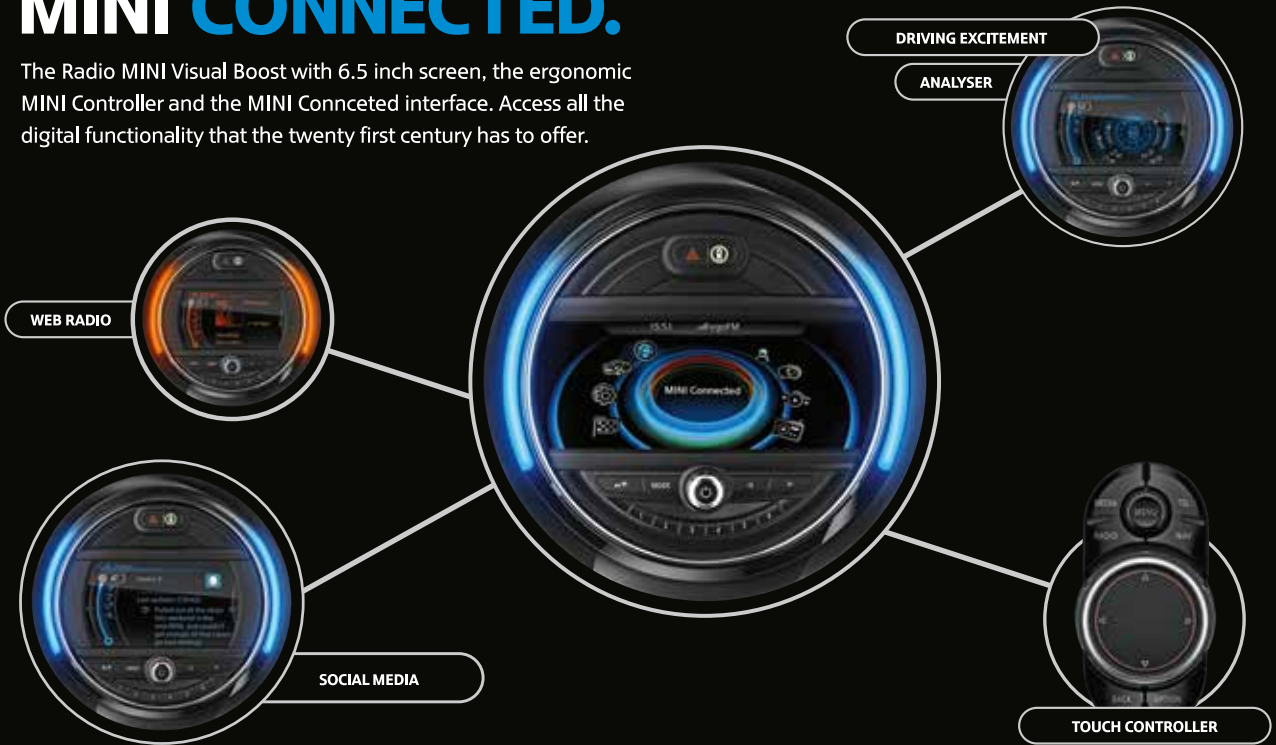

DYNAMIC LIGHTING.

Your MINI is an extension of whatever motoring mood you are in. Customizable ambient lighting and a sleek LED light ring in the dash changes colour in response to your engine speed, Driving mode, audio volume, climate control or interior lighting.

MINI CONNECTED.

The Radio MINI Visual Boost with 6.5 inch screen, the ergonomic MINI Controller and the MINI Connected interface. Access all the digital functionality that the twenty first century has to offer.
